

Hopewell Rocks & Bay of Fundy Coastal Tour

Featuring Cape Enrage & Fishing Village of Alma

Hopewell Rocks & Bay of Fundy in New Brunswick, Canada - home of the World's Highest Tides! This amazing full day tour allows guests to learn about and experience the natural, ecological and cultural history of the Fundy UNESCO Biosphere area including Hopewell Rocks, Cape Enrage, Fundy National Park and the Fishing Village of Alma. This coastal tour experience will be sure to take everyone's breath away!

Acadian Cultural Coastal Tour

Featuring Authentic Acadian Cultural Experiences !

Guests will discover the history, culture and cuisine of the French Acadian people whose way of life was not about the destination - but the journey! We drive the Northumberland Coastline and visit the coastal Acadian communities with stops at the World's Largest Lobster in Shediac, La Dune De Bouctouche & Irving Eco-Center (one of the last remaining sand dunes in North America...12km), Olivier Soapery, and feature an Authentic Acadian Kitchen Party and Lunch! It's Authentically Acadian!

Saint John & St. Martin's Sea Caves Tour

Featuring the Saint John City Market & Reversing Rapids

We drive through the beautiful rolling hills and farmlands along the Bay of Fundy to get to beautiful St. Martins! This quaint fishing village & shipbuilding community will charm you with its breathtaking vistas and majestic homes built by sea captains during the Age of Sail. The covered bridges, West Quaco lighthouse and sea caves are a few of the many highlights of this amazing area of the Bay of Fundy. After a delicious seaside lunch it's off to Canada's first incorporated city of Saint John where we will visit the Saint John City Market - the oldest continuous city market in Canada and then off to witness the 'Reversing Rapids' for the tour finale!
